

# Galvanized Pins & Plastic Washers

## Features:

- Fasteners for Flange Protectors
- Available in 4 lengths

## PINS

#1 – 2 ¼” Long Pins

#2 – 3 ¼” Long Pins

#6 – 6” Long Pins

#8 – 8” Long Pins

## Plastic Washers

#1 1-3/8” O.D. with slot bolt holes up to 1-1/8” diameter

#2 1-3/4” O.D. with slot bolt holes up to 1-1/2” diameter

#3 2-1/2” O.D. with slot bolt holes up to 2-1/4” diameter

#3 2-1/2” O.D. with slot bolt holes up to 2-1/4” diameter

## BOLT HOLE PLUGS FOR FAN SERIES *FBH Series*

These plugs were designed to secure our FAN Series onto a flange. They have outer ribs to compensate for varying hole diameter tolerances, ensuring a secure fit. The FBH Series has a thick flange allowing for easy removal.

**Material:** High-Density Polyethylene **Color\*:** Black
